

Packaging, Distribution and Technical Support

By dealing with Locusrite, we guarantee to offer the highest possible standards of product, packaging and service.

Packaging and Distribution

Our express order processing systems and stock availability ensures that we stay at the top of our game, ensuring your stock is delivered on time, every time.

We are constantly looking at ways to improve packaging for our products by working closely with our customers and suppliers at all times.

By utilising our transport partners expertise and efficiency we can ensure that your delivery will arrive safely and without delay.

Through our specially selected haulage partners we are also able to offer same-day, next-day, dedicated vehicle and time specified deliveries, (subject to additional cost) which ensures that your urgent order requirements can be fulfilled.

Technical Support

For any technical queries, data sheets or brochure requests please do not hesitate to contact us on: telephone **01621 843100** or email sales@locusrite.co.uk.

We can offer free advice and assist with your product suitability questions on any of the Locusrite stock range.
